## FAMILY - IT'S BEAUTIFUL AND HARD!

As someone who struggled to have a child, and is now the proud mum of three tiny humans - I know how precious family can be! I also know how tiring and crazy it often is! But even then, you don't want to forget these moments, and what it all looked like!

That's why family portraits are so important to me! Creating memories for you to be able to share and look back on - to remember.

As your photographer, I would seek to make your shoot reflect you. I encourage you to bring anything that gives your family its unique identity.

I prefer outdoor locations, and will work hard to make your images beautiful.

Naturally I am a relaxed and outgoing person, with a passion for details and beauty. I will happily run around with your kids, singing songs and making crazy sounds to get them to smile.

Let me know if I can help you in any way - I get excited thinking about the chance to be part of your unique family story!

## BUMP TO BABY PACKAGE

For those of you who are expecting a new person into your family, this package may be perfect for you.

It includes two portrait sessions - a maternity and a newborn session.

Sessions are conducted where you are most comfortable, and what is seasonally appropriate.

I prefer outdoor locations, but happy to spend time in your home if it is too cold.

Maternity shoots are usually done between 33 and 37 weeks. Newborn shoots are usually done before 14 days, or after 5 weeks.

200 images (100 from each session) will be provided.

**\$640**

A \$100 deposit is required at the time of booking.

## WHERE TO NEXT?

If I can help you in anyway, or if you have questions - send me an email and we can get this ball rolling!

A booking fee of \$100 is required to secure your shoot (this will be deducted from the final cost).

I have availabilities on weekdays and weekends. Please book at least 3 weeks in advance to make sure I have space for you. (Especially on Saturdays!).

I am happy to travel to you for your perfect location.

I cannot explain what a priviledge it is to be part of family life as intimately as a photographer gets to be. Thank you for contacting me, and looking forward to meeting you!
